

# 4 Days Murchison Falls National Park Safari

## Visited countries

### Uganda

Although Uganda is famous for The Mountain Gorillas and Chimpanzees it is also home to, The longest river in the world, the River Nile. The most powerful waterfalls in the world, Murchison Falls, The third largest lake in the world, Lake Victoria. Those natural wonders coupled with The Ruetanzori Mountains in western Uganda and Mount Elgon in Eastern Uganda create an incredible habitat for animal and birds that is unrivalled in East Africa. However, we know that despite all those breathtaking attractions it is The People of Uganda that make this country the wonderful destination that it is.

### Central Uganda

The Central Region of Uganda is home to the two principal cities, Kampala which is the capital city and Entebbe. Although the distance between the two cities is only around 40kms the journey time is severely traffic dependant. This region of Uganda is characterised by hilly terrain with marshland valleys. Due to the curved shoreline of Lake Victoria, both cities are close to the Lake and can act as a gateway to the rest of Uganda's other principal cities to the east, west and north of Uganda. The region also acts as a good starting point for shorter weekend breaks to islands on Lake Victoria.

The Central Region is the historical seat of the Baganda Kingdom with the Kabakas Palace, Kisubi Royal Tombs and other Royal sites found here.

### Western Uganda

The Western Region of Uganda houses the majority of the National Parks in Uganda. Lake Mburo, Mgahinga, Bwindi, Queen Elizabeth, Kibale, Rwenzori, Semiliki and Murchison all feature in this region. Due to the climate and altitude in Western Uganda, there are many Tea and Coffee plantations dotted over the landscape as well as stunning natural crater lakes and forests. But it doesn't stop there, Lake Bunyonyi, Lake Mutanda, Lake Edward, Lake George and Lake Albert are also found here, bringing with them an unrivalled beauty that can only be found in this region of Uganda.

The Kingdoms of Ankole, Bunyoro, Kigezi and Toro all hail from this part of Uganda.

- ☆ Day 2: Ziwa Rhino Sanctuary - Murchison Falls N.P
- ☆ Day 3: Murchison Falls N.P
- ☆ Day 4: Murchison Falls N.P - Kampala

## Day 1:Kampala- Ziwa Rhino Sanctuary

An early morning rise will enable you to begin your safari and head towards Murchison Falls National Park, traveling north to Ziwa Rhino Sanctuary which will be the first scheduled stop. The journey will see you leave the traditional Buganda Kingdom located in the central region of Uganda and move into the area the Bunyoro Kingdom call home with in the north west region.

Your journey will be approx; 170km, 3hrs drive

Lunch en-route

Any trip towards north-east Uganda just wouldn't be complete without a visit to the **Rhino Sanctuary at Ziwa**. They provide trained rangers who will guide you through a Rhino Trekking expedition. You will have the opportunity to observe the rhinos at a very close and safe distance. While at the sanctuary you will also encounter a range of other wildlife species including Uganda kobs, reedbucks, oribis, hippos and crocodiles.

## Day 2:Ziwa Rhino Sanctuary- Murchison Falls N.P

After Rhino walk will fresh memories of the experience, it will be time for lovely drive from Nakasongola to Murchison Falls National Park via Masindi town. The journey to the park entrance will take you through the beautiful Kaniyo Pabidi Forest until the Kichumbanyobo Gate, your journey will be approx; 130km. 2.5 hrs drive.

Murchison Falls National Park is split into its northern and southern sectors by The Nile that runs east to west through the Park. The majority of visitors access the park from the south and have to cross over to the north at the Paraa Ferry Crossing point using a regular vehicle ferry. On the north bank of the river, networks of game tracks explore the Buligi sector in the west and Chobe in the east.

Overnight at Pakuba Safari Lodge I Standard room

Game drives in Murchison Falls are incredible. The park is home to all of the Big 5 with the exception of the rhino. Also resident are the hippo, buffalo, giraffe as well as several antelope and monkey species. Most of the game viewing is done around the Buligi Game tracks in the northern sector of the park. The park also boasts the Nile - Lake Albert Delta which is home to a large number of birds including African fish eagles and the rare shoe-bill storks.

## Day 3:Murchison Falls N.P

Game drives in Murchison Falls are incredible. The park is home to all of the Big 5 with the exception of the rhino. Also resident are the hippo, buffalo, giraffe as well as several antelope and monkey species. Most of the game viewing is done around the Buligi Game tracks in the northern sector of the park. After lunch, it will be time for a boat ride along the Nile to the foot of Murchison Falls, be sure to have your cameras ready for this one. Expect to see birds perched on tree branches ready to hunt, mammals drinking or cooling down in the river and reptiles basking in the sun on the river banks. One of the highlights of the boat ride is getting up close to Murchison Falls itself, allowing you to feel the awesome power and beauty that comes when the worlds longest river is forced through a 7-meter gap before dropping 40 meters as it continues its journey to the Mediterranean Sea. This trip on the River Nile really harks back to the days of the intrepid explorers of days gone by and the best time to do the trip is at sundown, here you will enjoy the great views of the sunset while cruising on the Nile.
