### Day 1: Rio de Janeiro

Arrival in Rio de Janeiro; meeting with driver. Transfer to the hotel. Free time

You can admire Rio de Janeiro 's green hills, blue sky, turquoise ocean, beautiful bays, and marvellous beaches. At nightfall magnificent Rio is lighted up by the lights of favelas, which are shimmering like precious stones that Brazil is so rich with! You will have a great time between the palm trees, sand and waves of the ocean!

The most popular beaches - Copacabana, Ipanema and Leblon, are famous for their black and white tiled promenade. Numerous open cafes at the beach will offer you refreshing coconut water, freshly squeezed juices and other drinks. You can fully enjoy all of it as you have arrived in paradise, you are in Rio de Janeiro, one of the most beautiful and exotic cities in the world!

### **Day 2: Rio de Janeiro**

Breakfast at the hotel.

City Tour and Sugarloaf Mountain (4 hours)

The first stop is on Urca Mountain, with a wide viewing area. A cable car ride will take you up to Urca Mountain, the stop between ground level and Sugarloaf. Once arriving at the top of Sugarloaf Mountain you will see the captivating beauty of Rio from a different angle. To your left you can see

Copacabana beach stretching out into the distance, and on the horizon the faint outlines of Two Brothers and Gávea mountains. Below you is the intimate Red Beach, while to your right you can see across Guanabara Bay to Niterói and, nearer by, Botafogo and central neighbourhoods, with the unmistakable silhouette of Christ the Redeemer casting its eternal gaze over the city. From this point we gain a different perspective on Rio and can truly appreciate its beauty. After descending the mountain by cable car, you will head into the Historical Center with its colonial architecture including many old churches still in use. The cobbled streets and bright colours are a stark contrast to the whitewashed, sun-soaked streets of Ipanema but in many ways are part of the authentic, nearly forgotten historical Rio, and one can almost feel the hustle and bustle of hundreds of years ago when these streets were filled with merchants and citizens of the Portuguese Empire, locals, immigrants etc.

Optionally: Flying over Rio by Helicopter (starting from \$150 USD). You will take a helicopter tour from the Sugarloaf Mountain. During your flight you will get amazed by the mind-blowing view

of the city below with its infinite beaches, huge Christ statue, Botanical Garden and many more.

Duration: from 10 to 30 minutes

We recommend you taste the famous Brazilian meat in the Fogo de Chao restaurant with a view of the Sugar Loaf (75 U\$)

### Day 3: Rio de Janeiro
